Project Name	Website	Partner Library Types	Format	Storage Model	Collection Analysis	Notes
Maine Shared Collections Strategy (MSCS)	http://www.maineinfonet.net/mscs/	Academics (Private & Public), Government & Public	Monographs & Journals	Distributed	SCS	Focus on retention & preservation.
ConnectNY	http://connectny.org/	Academic	Monographs	Distributed	SCS	Focus on retention & preservation
Michigan Shared Print Initiative (MI-SPI)	http://mcls.org//cms/sitem.cfm/library_tools/mi-spi/	Academic	Monographs	Distributed	SCS	Focus on de-accessioning
Great Western Library Alliance (GWLA)	http://www.gwla.org/strategic2013	Academic (research libraries)	Journals & Monographs	Distributed	In-House	Consortium of leading research libraries in the Central and Western United States, focus on removing duplication from monograph collections within GWLA and partner libraries.
Committee On Institutional Cooperation (CIC)	http://www.cic.net/projects/library/shared-print-repository/introduction	Academic (universities)	Journals & Documents	Centralized & Distributed (Government Documents)	In-House	Consolidation and storage of print journal backfile volumes.
Council of Prairie and Pacific University Libraries (COPPUL)	http://www.coppul.ca/about.html	Academic (universities)	Monographs & Journals	Distributed	In-House	Focus on storage and archiving, but still maintaining access. Library-selected print journal back-files and monographs.
Western Regional Storage Trust (WEST)	http://www.cdlib.org/west	Academic (research libraries, colleges, universities, and library consortia)	Journals	Distributed	In-House	Consolidation, validation and storage of print journal backfile volumes.
Libraries Of The Future (LOFT)	http://library.sjsu.edu/sites/library.sjsu.edu/files/documents/ULB_LOFT_CSU_LA_Basin_Executive_Summary.pdf	Academic (state university)	Monographs	Distributed	SCS	Focus on reducing holdings duplication and increasing cooperative collection development.
Association of Southeastern Research Libraries (ASERL) & Washington Research Library Consortium (WRLC)	http://www.aserl.org/wp-content/uploads/2012/01/ASERL_TRLN_Create_Archiving_Partnership.pdf	Academic (research library)	Journals	Centralized	SCS	ASERL is a consortium of 36 academic libraries in the Southeastern United States. Partnership with Triangle Research Libraries Network (TRLN).
Statewide California Electronic Library Consortium (SCELC)	http://scelc.org/about	Academic (private)	N/K	N/K	N/K	Still in early planning stages.
OhioLINK	http://www.ohiolink.edu/	Academic (private & public) & State Library	Journals	Distributed (shared facilities)	In-house/OCLC	Migration of the five repository catalogs to a shared library system and undertaking a coordinated de-duplication effort of bound journals.
Research Collections and Preservation Consortium (ReCAP)	http://recap.princeton.edu/	Academic (private) & Public	Journals	Centralized	SCS	Columbia University, New York Public Library & Princeton University. Off-site storage to free up space at libraries (without a retention agreement).
Colorado Alliance of Research Libraries (the Alliance)	https://www.coalliance.org/software/digital-repository	Academic & Public	Monographs, Journals & Documents	Centralized	Library Dynamics	Consortium of ten institutions representing thirteen major libraries located in Colorado and Wyoming with a centralized digital repository. Focus is on preservation and access.
Consortium of Academic and Research Libraries in IllinoiS (CARLI)	http://www.carli.illinois.edu/	Academic		Centralized	In-house	A consortium serving 153 academic libraries in Illinois. Under this pilot project, CARLI members who own the last copy of library materials in Illinois may donate those items to the University of Illinois at Urbana-Champaign (UIUC). The purpose of the pilot is to determine the amount of material involved and the complexity of processing necessary.
Minnesota Library Access Center (MLAC)	http://www.minitex.umn.edu/storage/	Academic, Public & Government	Monographs, Journals & Documents	Centralized	In-house	High density storage facility for Minnesota academic, public and governmental libraries.
Florida Academic Repository (FLARE)	http://cms.uflib.ufl.edu/flare/Index.aspx	Academic (state university)	Monographs, Journals & Documents	Centralized	In-house	Venture among the members of the Florida State University System (SUS) Libraries and the University of Miami, centralized storage facility for low use material that will be retained for an indefinite period.
HathiTrust	http://www.hathitrust.org/	N/K	Monographs & Documents	Distributed	N/K	Still in planning stages. New subgroups to be appointed to advance the establishment of a distributed print archive on monographic holdings corresponding to the digital content in HathiTrust, and to expand and enhance access to U.S. federal government publications.
Virtual Lib of Virginia (VIVA)	http://www.vivalib.org/	Academic (non-profit)	Monographs	Distributed (virtual library)	SCS	Focus on avoiding duplication in collections. Looking to improve resource sharing of print and microfilm collection. Shared access to online library resources and coordination collection development.
Central Iowa-Collaborative Collection (CI-CII)	http://ci-cci.org/	Academic	Monographs	Distributed	SCS	Reduce duplication across group, create a distributed print collection. Coordinate collection development and future collaboration.
TriUniversity Group of Libraries (TUG)	http://www.tug-libraries.on.ca/	Academic	Monographs	Centralized	SCS	University of Guelph, University of Waterloo, and Wilfrid Laurier University. Last copy center with focus on preservation of materials unique within the consortium. TUG libraries agree not to discard items in campus collections which are the last copy.
Pennsylvania Academic Library Consortium Distributed STM Print Serials Archive Project (PASCAL)	http://pascal.ucdenver.edu/about/about.php	Academic	Monographs & Journals	Centralized	In-house	PASCAL, the Preservation and Access Service Center for Colorado Academic Libraries, is a library storage facility. Currently, volumes eligible for storage are older research materials that have value but are in low demand.
Core Historical Literature of Agriculture	http://chla.library.cornell.edu/	Academic	Mixed digital content	Distributed	In-house	The Core Historical Literature of Agriculture (CHLA) is a core electronic collection of agricultural texts published between the early nineteenth century and the middle to late twentieth century. Shared print part is a partnership between CRL, USAIN and Cornell University to define & preserve the definitive shared print agriculture collection.
Medical Serials Print Preservation Program (MedPrint)	http://www.nlm.nih.gov/psd/printretentionmain.html	Medical	Journals	Distributed	In-house	Focus is retention. The National Network of Libraries of Medicine (NN/LM) and the National Library of Medicine (NLM) are working to ensure the preservation of and continued access to the literature through a national cooperative medical serial sprint retention program, MedPrint. Libraries identify which titles they will commit to retain under the MedPrint agreement.
Academic Libraries of Indiana (ALI)	http://ali.bsu.edu/about_ali.html	Academic	Monographs	Distributed	SCS	Focus is de-accessioning materials that have had little or no use and are wildly held.
UK Research Reserve (UKRR)	http://www.ukrr.ac.uk/	Academic	Journals	Distributed	In-house	Focus is allowing libraries to de-accession duplicate titles. Ensure completeness of the principal research collection which is housed in the British Library. Two further copies are retained within UKRR member libraries.
Copac	http://copac.ac.uk/innovations/collections-management/	Academic	Monographs	Distributed	Copac Collections Management Tool	Develop a tool that allows libraries to analyze their collections to make informed decisions about the retention, conservation, and disposal of materials. Working with White Rose Consortium (universities of Leeds, Sheffield and York).
National Monograph Strategy	http://monographs.jiscinvolve.org/wp/	Academic	Monographs	TBC	TBC	JISC led. Co-design pilot with SCONUL and RLUK (until December 31, 2013). Focus on exploring the potential for a national approach to the collection, preservation, supply and digitization of scholarly print monographs.
