RE: June 2014 Report

RDA

Minerva officially started to catalog using RDA on January 1, 2014. The committee along with Ellen Conway and Alisia Revitt developed Minerva RDA Core Standard. The standard was released on December 20, 2013 to catalogers via Minerva-L and MinervaCats listserv.

Answering RDA questions, concerns, issues

There is a subgroup to handle RDA questions, research RDA issues, and recommend changes specifically for the Minerva RDA standards and implementation. The subgroup members are Valerie Frechette from CMCC, Carin Dunay from SMCC, Debroah Tomaras from South Portland, and Katherine Morgan from Norway Memorial Library.
