

EXPLORING SIERRA'S HIDDEN GEMS

PRECIOUS TIDBITS FOR IMPROVING YOUR WORKFLOW

OBJECTIVES

- Discover the capabilities of Sierra.
- Examine ways to incorporate these features into your workflow.
- Learn what your peers are doing.
- It is my hope that you will walk away with at least one new thing that can help you out in the library.

FOCUS

- Macros
- Browse Queries
- Create Lists
- Search Range feature
- High Demand Holds
- Reinstate Fine
- Merge Identical Patrons
- Linking Patrons
- Emailing Receipts/Slips

NOTE

- Some of these features may need to be enabled by Maine InfoNet staff before you are able to see and utilize them.
- Not all of the features we will discuss are new.

MACROS

Use them to...

- Create shortcuts to your functions (checkout, check in, create lists, catalog, serials).
- Create macros for commonly used notes, messages, addresses, cataloging information or searches.
- Use macros for diacritics that you use frequently.

Where to find them on the website –

BROWSE QUERIES

- Use it for quick and concise searches (Max...5,000 records)
- Lists that do not need to be retained
 - Since it isn't retained, you don't have to follow the standards for keeping the review files in Create Lists organized.
- In Catalog Function, Tools>Browse Query

Examples:

- Patron phone numbers
- Patron email addresses
- Notes/Messages in item records
- View hold information

CREATE LISTS

Allows you to choose a review file large enough to contain the search and retain it for future use

- Search an indexed range, existing review file or a specific range
- Use an existing search
- Retrieve saved query

Examples:

- Compile review files for weeding
- Create patron expiration lists to export into a mail merge
- Items that haven't circulated
- Use in conjunction with Statistics

MERGE DUPLICATE PATRONS

If you have an instance where two patron accounts are for the same individual, merge them together using ***Merge Duplicate Patrons***, which can be found in the ***Functions*** menu.

- Find two identical (similar) patrons and note their patron record #s
- The primary account will have the secondary accounts information added to it and the secondary will be deleted.
- All notes, fines, holds, etc. will be moved over to the primary account.
 - Write down the primary account's patron record number – this will be your ***Destination Record***.
 - Write down the secondary account's patron record number – this will be your ***Source Record***.
