wsc	788	339
wsu	1,026	679

NB: These numbers are from the owning/home report and show all checkouts to non-local patrons, including walk-in borrowing. Libraries with local walk-in arrangements may see unusually high numbers therefore. To see only how many items were sent to other libraries, use the non-owned report.

Numbers are only for transactions through the MILS system. If you joined during this time, you will need to combine with your previous system's numbers.
