NB: These numbers include walk-in borrowing as well as delivery. If your library has significant walk-in activity, you can find the difference by looking at the Non-owned report at <https://minerva.maine.edu/manage>.

ATTENTION: These inter-library numbers include both checkouts and renewals--more consistent with the total circulation numbers. From now on, I will report the combined circulation and renewal numbers. Prior to 2020, they only showed checkouts. Therefore, if you want to compare to previous reports, please use the specially marked "checkout only ILL" report on the next page. From now on, I will only create the checkout + renewal reports for annual.

**Checkouts only:
for comparison to pre 2020**
