"Other" is a category starting in 2022 for "Circulation of Other Physical Items" (passes, hotspots, tools, equipment, cake pans, library of things, games, video games). I used locations that could be clearly identified as Library of Things, Equipment, etc, but since these items don't necessarily align with a location, this number is probably low and actually being counted in with the Adult instead in many cases. If you have locations that are clearly associated with this type of material, please send in a ticket to support@maineinfonet.org to let us know for future years.
